Wednesday 11 June: 12:30 - 14:00

011004992935

Remember to bring this ticket with you (in print or digital format) - you'll need it to get in.

Unfortunately, we cannot re-print tickets on-site.

UCAS Discovery Ipswich 2025

When you arrive at the event, UCAS will scan your QR code ticket so that we know you've arrived.

Keep your ticket handy – if you would like to receive further information from particular exhibitors, you can scan your QR code at their stand.

If you do this, we will give them your contact details so that they can send you information such as course details or invites to open days.

If you do not want an exhibitor to have your contact details, then simply do not scan your QR code.

Having your own ticket, scanned by the exhibitors you're interested in, ensures that any information collected complies with data protection regulations.

Visit ucas.com/exhibitions for:

- preparation tips
- exhibitor information
- venue details
- health and safety information

and more. See you there!
